COURSE DESCRIPTION

BH513 is the third and final segment of MJTI's comprehensive one-year graduate-level introduction to the grammar of biblical Hebrew. As students continue to build upon the skills taught in the earlier course segments (BH511 and BH512), they encounter narrative and infinitive verb forms and the remaining major verb stems. In this course segment students continue to apply their growing body of grammatical knowledge to the translation and interpretation of larger swathes of narrative and poetic texts of the Tanakh. By the end of this course, students will have acquired a broad-based ability to study and engage Hebrew texts of every book of the Tanakh on an introductory level and will be ready for intermediate coursework.

RELATIONSHIP TO THE CURRICULUM

This course is offered to equip students in the Rabbinic Studies and Jewish Studies programs to take required and elective Tanakh and Rabbinic Writings courses.

RELEVANCE

Biblical Hebrew is the language of the Hebrew Scriptures, and Hebrew grammar provides the building blocks and exegetical tools for investigating, understanding, and interpreting the Hebrew Scripture. A working knowledge of biblical Hebrew is an essential foundation for in-depth personal and vocational Tanakh study. Subtle shades of meaning lie within biblical texts that are best expressed and conveyed in their original language. Being well-versed in these texts transforms the learner and enables them to impart these insights to a world desperately in need of them. This course aids in achieving these goals.

STANDARD MJTI ASSESSMENT RUBRICS

Written homework and class participation go hand in hand. Quality of class participation is dependent upon having adequately engaged the textbook material through having thoughtfully done the homework exercises and prepared the reading and oral assignments. Perfection, while valued, is not always the highest goal of these exercises; rather, learning to think through the mechanics of the exercises is the goal. A weekly homework/class participation grade will be assessed based upon the following criteria.

ASSESSMENT CRITERIA FOR HOMEWORK AND CLASS PARTICIPATION				
	<i>A (exemplary)</i>	<i>B (adequate)</i>	<i>C (passing)</i>	<i>F (failed)</i>
<i>Engagement with material</i>	Asks insightful and relevant questions	Asks good questions	Asks superficial questions	Doesn't know enough to ask any questions
<i>Quality of thought</i>	Clearly grasps how to apply rules to exercises	Some grasp of how to apply rules to exercises	Superficial grasp of how to apply rules to exercises	No evident grasp of material
<i>Organization</i>	Well organized	Sufficiently organized	Poorly organized	Disorganized
<i>Accuracy</i>	Nearly error-free	Some errors	Many errors	Filled with errors
<i>Timely submission of assignments</i>	On time	On time	Late, but before class session	Not turned in at all before class session

MJTI COURSE POLICIES

1. **Preparation:** Each student is expected to be prepared for and to participate in the online class discussions.
2. **Dishonesty and plagiarism:** Any form of dishonesty (copying from another student's work or allowing your work to be copied) or plagiarism (passing off another's work as your own, not giving appropriate credit to another's ideas) will not be tolerated. Such misconduct will result in an automatic "F" grade for the class and a permanent notice placed in the student's academic record. If you are unsure whether an action is permissible or not, please check with the instructor.
3. **Incompletes:** Incompletes will only be granted when the instructor and Academic Dean agree that significant extenuating circumstances have prevented a student from finishing the coursework by the stipulated due date. Extenuating circumstances are major, unplanned, unanticipated, and unavoidable disruptions in one's life or work. To request an incomplete, fill out the form "Request for Grade Incomplete" on the MJTI Webpage (<http://www.mjti.org/forms>). The form will be automatically be sent to the Registrar who will request permission from the Instructor and then the Academic Dean for final approval. If the Incomplete grade is granted, the completed coursework is due to the instructor within 8 weeks of the final assignment of that quarter. If the work is not completed within this time, the instructor, based on the amount and quality of the work that has been completed, determines whether a

reduced grade or a grade of F is warranted. Further extensions of time, justified by extreme circumstances, are granted only by the Academic Dean.

4. **Leave of Absence/Withdrawal:** MJTI programs are designed to permit students to pursue their studies while managing the many responsibilities they have as adult professionals. MJTI will consider a leave of absence for a student who is experiencing hardships that make effective progress in her/his academic program unusually difficult. Students who, due to unforeseen and serious circumstances (including personal, family emergency, medical, and military service) are unable to take or complete a course during the academic year may submit a Request for a Leave of Absence status to the MJTI Registrar's office. Such status is granted at the sole discretion of the Academic Dean.

Students desiring to drop or withdraw from courses after registering may do so by submitting a Change of Course Status form to the Registrar. If the course is dropped before the quarter begins, the only financial penalty charged is a \$30.00 drop/withdrawal fee. If the change is requested after the quarter begins, the student will be refunded according to the refund policy stated on page 28 of the current catalog. Non-attendance does not constitute official withdrawal. A student who begins a course and does not officially withdraw will receive the grade earned for the entire course, which will usually be a failing grade. MJTI does not accept unofficial withdrawals from a class. A student who officially withdraws from a class will receive a W on their transcript.

5. **Extensions:** Extensions of the due date for the final assignments are not permitted. Students who do qualify for an Incomplete should submit as much work as possible by the due date so that the instructor has time to grade all work in time to meet the instructor's deadline for submitting grades to the MJTI office. At the instructor's discretion, work may be accepted later than the due date, with a deduction of grade for each late day.
6. **Late Assignments:** Each day or part of a day an assignment is late the grade is to be reduced by 10%. An instructor may adjust this policy to be lenient with a student when their situation warrants being handled with grace.
7. **Change of Student Status:** A student who has registered to take a course for credit may switch to the status of auditor up to, and including, the last day of the fourth week of class by submitting a Change of Status request form to the Registrar (<http://www.mjti.org/forms>). The tuition differential will only be refunded if the request form is received by the end of the fourth week of the course.
8. **Discussion privacy:** The course discussion is accessible only to those registered for the class through Populi. To ensure a positive forum for course interaction, students are asked to refrain from excerpting lessons or thread discussions from the course in any format. This will enable the cultivation of a safe and honest forum for dialogue.
9. **Instructors and Email:** Regardless of the course format, instructors shall be available during the course week for private contact from students via email. Instructors are required to respond within 24 hours of receipt (Sunday – Thursday) of student inquiries made via email. These guidelines apply both to an email from students and to student questions asked of the instructor in asynchronous discussion.
10. **Questions:** If you have any questions regarding assignments, feel free to e-mail them to the instructor at robinvanriper@verizon.net.
